2017 Business Delegation to China Greenery & Landscaping Market

Shanghai, in terms of landscape construction and maintenance has always been in the forefront of China. Shanghai shows the unique demonstration effects and radiation to the other cities in the popularization and application of landscape products very well.

Greenery & Landscaping China 2017 (GLC2017) will be held on 7 – 9 June, 2017 in Shanghai. As organizer of GLC, we would like to invite you to attend the most professional and influential landscape architecture and gardening expo in China, to join the business delegation program as well.

In this program, the organizer will arrange series of activities, which including the match-making between the typical local landscaping design & construction producers and the delegates; the successful landscape & greening case study, communicate with the industry experts from China. To make your trip convenient, smooth and fruitful, we provide one-stop services and professional consultation during your event in China!
