

## Greenery & Landscaping China 2019

### GLC 2019, the gateway for you to enter China Landscape Market

“Greenery & Landscaping China” was founded by Shanghai Landscaping Architecture and Gardening Trade Association (SLAGTA) in 2003. Since 2017, NürnbergMesse joined this event as one of the organizers, we created a comprehensive and professional expo in the greenery and landscape industry in China by having the new platform with strong interaction patterns. The fair is one of the most influential and mature trade fair in the industry.

### Why to exhibit?

- ◆ **High quality congress, seminars provide essential platforms for exhibitors and visitors to gather together.**

In 2018, we cooperated with the influencing landscape architect, agencies and media to organize the concurrent conference. Four landscape architects and urban planners from Australia, Canada and Germany gave speeches about the how to “building the green city of tomorrow”.

- ◆ **Meet more trade buyers from government, administration bureau and other associations.**

Every year, the decision makers from Shanghai Landscape Administration Bureau, Shanghai Garden Management Guidance Station and The Government Procurement center of Shanghai Municipality are invited to attend the fair and congress. And more than 400 association member companies participate the fair actively every year.
